<ul style="list-style-type: none"> • <i>Shark Bay School</i> • <i>St Mary Star of the Sea Catholic School</i> 	Government Catholic		covered work area. The proposed Exmouth District High School facility comprises a workshop provided with general power and lighting.			
Clontarf Aboriginal College <ul style="list-style-type: none"> • <i>Mercedes College</i> • <i>Trinity College</i> 	Catholic	Clontarf Aboriginal College Trade Training Centre	Funding will be used to demolish an existing metal and wood centre and construct two free standing buildings. The site is approximately 30 metres from existing school facilities and is easily accessible by external users and suppliers. The Trade Training Centre will be fitted out with equipment approved by the partnering RTO enabling delivery to Cert III level. A separate large secure shed area will be constructed for horticulture equipment and training. The project will address skills shortages in the traditional trades of Carpenter and Joiner, Horticulture and Sheetmetal Worker.	Clontarf Aboriginal College	295 Manning Road Waterford WA 6152	\$ 3,376,824
Newman Senior High School	Government	Newman Senior High School Trade Training Centre	Funding will be used to construct a purpose designed facility involving the refurbishment and extension of an existing building. The proposed facility will comprise a metals workshop and a covered area. Access to the workshop is via an existing associated hardstand area. A portion of this area has been roofed to provide the covered outdoor work area. A seminar room will be added adjacent to the existing workshop. The project will address skills shortages in the traditional trades of Metal Fabricator and Motor Mechanic.	Newman Senior High School	Gregory Avenue Newman WA 6753	\$1,500,000
