

**Australian Government**  
**Department of Education**

**International students who have studied in Australia on student visas betwe**

**Data Source: PRISMS**

**Notes:**

These data show a historical analysis of the total number of international students who have studie  
This is an annual count of individual students (each student is counted only once).

Countries with less than 10 students in either Cohort 1 or Cohort 2 have been excluded

Cohort 1 - Students that studied between 2005 and 2022 and were no longer studying in 2023

Cohort 2 - Students commencing or continuing study in 2023

<b>Nationality</b>	<b>Cohort 1 (2005 to 2022)</b>	<b>Cohort 2 (2023)</b>	<b>Total</b>
China	660,587	153,921	814,508
India	371,707	124,829	496,536
