

Funding for projects through the NCRIS 2023 Funding Round

NCRIS Project	Lead Organisation*	2023 NCRIS Funding Round
Astronomy Australia	Astronomy Australia Ltd	\$12,751,000
Atlas of Living Australia	Commonwealth Scientific and Industrial Research Organisation (CSIRO)	\$3,545,045
AuScope	AuScope Ltd	\$45,013,425
Australian Access Federation	Australian Access Federation Ltd	\$2,940,000
Australian Centre for Disease Preparedness	Commonwealth Scientific and Industrial Research Organisation (CSIRO)	\$4,000,000
Australian Earth-System Simulator	Australian National University	\$9,642,548
Australian National Fabrication Facility	Australian National Fabrication Facility Ltd	\$47,352,348
Australian Plant Phenomics Facility	University of Adelaide	\$37,321,774
Australian Research Data Commons	Australian Research Data Commons Ltd	\$46,494,870
Australian Urban Research Infrastructure Network	University of Melbourne	\$12,325,000
Bioplatforms Australia	Bioplatforms Australia Ltd	\$113,032,648
Heavy Ion Accelerators	Australian National University	\$13,489,767
Integrated Marine Observing System	University of Tasmania	\$63,515,389
Marine National Facility	Commonwealth Scientific and Industrial Research Organisation (CSIRO)	\$59,302,000
Microscopy Australia	University of Sydney	\$12,000,000
National Deuteration Facility	Australian Nuclear Science and Technology Organisation (ANSTO)	\$2,725,000
National Imaging Facility	University of Queensland	\$28,398,136
National Sea Simulator	Australian Institute of Marine Science	\$15,072,000
Nuclear Science Facilities	Australian Nuclear Science and Technology Organisation (ANSTO)	\$10,654,807
Pawsey Supercomputing Centre	Commonwealth Scientific and Industrial Research Organisation (CSIRO)	\$5,000,000
Phenomics Australia	Australian National University	\$15,878,312
Population Health Research Network	University of Western Australia	\$10,236,497
Southern Coastal Research Vessel Fleet	South Australian Research and Development Institute	\$19,000,000
Terrestrial Ecosystem Research Network	University of Queensland	\$28,999,434
Therapeutic Innovation Australia	Therapeutic Innovation Australia Ltd	\$31,310,000
Total Funding for the 2023 NCRIS Funding Round		\$650,000,000

*NCRIS Projects are highly collaborative and involve over 400 delivery partnerships. As per the 2023 NCRIS Guidelines, the Lead Organisation is the grantee.
