

Non-Government Reform Support Fund Annual Report

2022

Catholic Education Commission of Victoria Limited

Executive Summary

Catholic Education Commission of Victoria Limited (CECV) continued to deliver on the initiatives outlined in the 2019-2022 Non-Government Reform Support Fund Strategic Plan. The key projects delivered in 2022 comprise:

1. Quality assurance, moderation and support for the continued improvement of the Nationally Consistent Collection of Data on School Students with Disability (NCCD) Agile School Improvement
2. Integrated Catholic Online Network (eAdmin).

Progress against your strategic plan

The CECV has progressed with the projects specified in the Non-Government Reform Support Fund Strategic Plan 2019 to 2022. Although these two key projects have been extended to 2023, arising from extending the Non-Government School Reform Fund for one more year.

NAPLAN Online

Whilst no funding has been allocated from the Non-Government Reform Support Fund Workplan for NAPLAN Online, the following work has been undertaken:

1. Participated as a member of the Victorian Digital Assessment Steering Committee. This committee oversees the implementation of a range of Victorian government provided school digital assessment tools. It also has oversight of the implementation of NAPLAN Online across all Victorian schools.
2. CECV schools have participated in School Readiness Testing for transitioning to NAPLAN Online.
3. School supervisory staff attend NAPLAN Online training prior to the testing period.
4. As of 2022, all Catholic schools implemented NAPLAN Online, which will continue each year.

Relationship with your state and territory government

CECV has an ongoing positive working relationship with both the Victorian Department of Education and Training (DET) and Independent Schools Victoria (ISV). The CECV recently worked with DET to report on the outcomes of 2022 progress against the bilateral agreement between the Australian and Victorian governments.

The CECV continues to be a participant of the School Policy and Funding Advisory Council (SPFAC), which comprises of five members, including the Secretary of the Victorian Department of Education and Training, the Executive Director of the CECV, Chief Executive of Independent Schools Victoria, another Department of Education and Training representative and an independent member.

The group provides advice to the Minister for Education on regulatory, policy and funding issues that affect government and non-government schools. The Council is also responsible for establishing all the State based reform initiatives in the bilateral agreement between the Commonwealth and Victorian governments.

Summary of 2022 achievements

Non-Government Reform Support Fund

|------------------|--|---|--------------------------|--|
| | <p>ICON will also be built as a platform on which additional systems can be connected. Driven by school practitioners and experts, ICON will be extended to provide further learning opportunities using emerging technologies and more sophisticated school administration tools.</p> <p>ICON is, at its core, a transformation enabling program. ICON will support school leaders, teachers and staff to transform business processes and implement new operating paradigms to enhance financial management, school administration, compliance and student learning.</p> | <ul style="list-style-type: none"> Reduction of duplicated data entry due to integration of key administrative processes <p>Achieved for schools implemented</p> <ul style="list-style-type: none"> Increased business intelligence capabilities, data analysis and reporting <p>Achieved</p> <ul style="list-style-type: none"> Reduction in the administration and compliance burden on school staff at a local level <p>Achieved for schools implemented</p> | | <ul style="list-style-type: none"> The Digital Re-imagination Program brings together the four Victorian Catholic diocese school governing bodies to align on a shared vision for how to best utilise digital tools to deliver education across Victorian Catholic schools. The Steering Committee provides executive oversight and support for the Digital Re-imagination program. By July-August 2023, the Digital Re-imagination program will deliver on specifications of prioritised business capabilities and their inter-dependencies, followed by a procurement strategy and market analysis. |

2022 Budget expenditure

| Project Activities | Reform support funding |
|--------------------------------|-------------------------------|
| NCCD | |
| | \$1,550,107 |
| State based initiatives | |
| | \$5,099,443 |
| TOTAL | \$6,649,550 |
