NEW MESSAGE IN FOLDER

It's time to renew your membership for 2024. We've updated our renewal experience, so that it's now easier than ever to renew your membership. We've listened to your feedback and introduced full self-service options and more payment flexibility. You'll also notice a handful of mandatory fields to update your details so we can better personalise the experience and communications you receive. This includes the option to receive the notice of Annual General Meeting (AGM) digitally, reducing both cost and environmental impact.

You can access your renewal notice, update your details, and pay online simply by clicking the 'Renew now' button below and logging in to your CPA Australia account.

As we do each year, we've reviewed the membership fee on a range of factors, including the investment required to continue lifting the knowledge, skills, and practice of the profession. In line with this, a fee increase will apply for the 2024 membership fee.

Your CPA Australia membership will continue to provide you with access to:

- complimentary resources that enable you to stay ahead of trends and lead change, such as INTHEBLACK digital magazine
- opportunities to connect with your global network of over 170,000 members, sharing your skills, knowledge and learning from your peers
- professional development to build technical knowledge and soft skills, supporting you through all career stages
- a personalised digital experience for easy access to products, services, and resources.

**Renew now**

Your membership fee is due by **31 December 2023**.

We look forward to supporting your continued career ambitions.

Yours Sincerely

Andrew Hunter  
Chief Executive Officer
