(a) In response to the Australian Government Guidelines on the Recognition of Sex and Gender, the Higher Education Management System allows the reporting of gender code X (indeterminate/Intersex/Unspecified). In order to maximise the amount of data that can be published, while adhering to the *Privacy Act 1988*, these students have been included under the Female category within the student data tables. This table identifies the number of gender code X students included within the Female gender category.

(b) Includes students who have requested their gender to be recorded as indeterminate/Intersex/Unspecified.

(c) Of the 628 students who are reported as indeterminate/Intersex/Unspecified, 28 are overseas students.

(d) Includes a unique count of Males, Females and indeterminate/Intersex/Unspecified students.

(e) Previously University of Ballarat.

np not published.
