

Public submission made to the Review to Achieve Educational Excellence in Australian Schools

Submitter: Ms Karen Burgess
Submitting as a: Parent or Community organisation, think tank, other (protest submission)
State: Vic.

Summary

"The Hearing into Educational Excellence is a waste of Government, public and personal resources. You have the recommendations from the Gonski Report which have not been implemented. Stop this utter waste of Taxpayer Funded Government Activity and implement the recommendations from the Gonski Report."

Main submission

The information to the barriers have already been highlighted in the Gonski Report. You need to instead of wasting time and money on another hearing go back to this report and commit to the recommendations in this report.
