Curriculum and assessment

We need a more reliable service with a much higher data rate 50GB of peek data (7am to 1am) dose not go fare and the price is way to high for what we get

Speeds also need to be improved including upload speed as sometime it can take 5-10 mim to upload a task to be marked

Rating: 7

Teachers and teaching

It can hard to connect and work on problem with your teacher when the internet will drop out and you have to start over this makes ot much harder to learn
