Summary

What i am going to submit is an manuscript of learning Indonesian language.

The manuscript is entitled 'Double Target - Mudah Berbahasa Indonesia' which is very effective to be used as one of the Indonesian language learning resources by students coming from the English speaking countries and from the non-English speaking countries

Main submission

I think, students need to learn Indonesian Language to complete their language acquisition.

And, hereby I mean to offer a manuscript to be considered and published for them to help learn Indonesian language effectively.
