Q1. Name *

Q2. Organisation *

Q3. Occupation/role at the organisation (if applicable)

Q4. Contact email address *

Q5. Contact phone number

Q6. 1 - What do you see as the key priorities for a new Australian strategy for international education? [limit to 500 words]

Quality Education Work experience in the education field Community connection

Q7. 2 - Students should be at the centre of the new Strategy. How can Australian education providers deliver the best possible student experience both now and in the future? [limit to 500 words]

Filling their expectations, it is a huge gap between what the education agents sells and the reality

Q8. 3 - What changes are needed to make Australia more globally competitive over the next decade? [limit to 500 words]

Quality Education Work experience in the education field Community connection Qualified trainers

Q22. 3.1 - Policy and regulatory flexibility are important in enabling providers to innovate. How can we utilise these settings to pursue opportunities, and in what other ways can we work together to ensure Australia remains globally competitive? [limit to 500 words]

Making sure everyone is trained in the new technologies

Q21.
4 - How can providers, governments and stakeholders work together to achieve diversification opportunities (for example of disciplines, source countries, study destinations and delivery models)? [limit to 500 words]

Diversification of the studies options, international students can not access to the same options that domestic students. Recognition of the priory studies will provide more study options to the students to choose and at the same time more labor options

Q9.
5 - What are the necessary skills for the future that students should be prepared for? [limit to 500 words]

Technology, system, communication and digital marketing skills.

Q10.

5.1 - How can Australia improve employability outcomes for international students, ensuring students have the necessary the skills to compete in a globally competitive labour market? [limit to 500 words]

First giving the opportunity to work, with the hours limitation its really hard to find a job in the field that you are studying, and not all the studies have a postgraduate visa. Government should considered postgraduate visa for all studies. As well, educating companies about the international student profile, that way they can understand about our hours limitations and design positions according to this, but most of the jobs are full time.

Q11.

6 - How do we create a uniquely Australian education experience? [limit to 500 words]

Proving a integral education, students not just want to learn, they want to put in practice their studies, and with the limitation of hours is hard, business wants full time workers, and not all the studies have a postgraduate visa. Government should considered postgraduate visa for all studies.

Q12.

6.1 - What is our value proposition for both international and domestic students? [limit to 500 words]

Life style

Q13.

6.2 - How do we offer an Australian education experience while complementing the value of Australian offshore and online education? [limit to 500 words]

Connecting with locals o have an culture exchange

Q14.

7 - What else should the Council for International Education and the Australian Government consider in developing a new strategy? [limit to 500 words]

Making sure the message is properly delivery to the students, regulating the education agents.

Q15.

8 - Do you have any additional comments or feedback to share?

I believe that if you have a feedback from stakeholders and students, it should be different surveys according the target, because those have different perspective of the situation.

Q19.

If you wish to upload a document to support your submission, including a document answering the discussion questions, please upload it here.

Q16.
